

# WEL-COME TO SILKO-HOME

[www.silkohome.com.au](http://www.silkohome.com.au)

# About Us.

We bring materials on site and we build pod in your backyard. Access is no issue as we bring materials first and construction will be done on site.

Our rooms are fully insulated with Australian made insulated panels.

All the materials are locally sourced , even windows and doors made in Melbourne  
Time to order your office pod backyard and enjoy working from home in your backyard office pod
